Transformative Leadership in Dynamic Times

This two session course will include areas of authentic leadership, developing and living organizational mission/vision/values, and developing teams and structure. Local business and organizational leaders will present and reflect on their lived leadership experiences.

Time: 3:00-4:15 and 4:30-5:45
Cost: \$1680

Financial Management

Financial Management provides practical approaches to the most common financial decisions. We'll cover the basics of financial accounting, the accounting cycle, financial statement analysis, and cost management that includes internal controls, pricing strategies, and budgeting.

Time: 3:00-4:15
Cost: \$1180

Course Location

Welcome to the Zollikon Institute campus in Walnut Creek, Ohio, where we foster innovation, respect, and academic discipline to provide living and peace-driven education. We look forward to hosting you and sharing this special place during your visit.
